B				We refer Pre-bid meeting of above-mentioned tender at your office and thank you for a cordial and useful discussion. As per discussion of the meeting we draw your attention on following: We request you to change in payment Schedule in Section 4, Particular Condition of Contract, (Page 94). We request for breakdown of Payment Clause GCC 57 & 58, (b) as follows: i. 60% payment of supplied materials on submission of Shipping document. ii. 10% upon presentation of "Receiving Cum Inspection Report" (After PLI).	Advanced Payment Guarantee (APG) against both the payment for supply and services: The APG shall be endorsed by any scheduled bank of Bangladesh, if it is issued from an international bank. The APG shall have to be valid until issuance of Provisional Acceptance Certificate (PAC) and shall be released after issuance of PAC.
B	4	Section 6. Employer's Requirements	6.1 Scope of Supply of Plant and Installation Services by the Contractor. HP Evaporator module replacement and related other works: Hydrostatic test of rest HP evaporator modules (Module- 2, 3, 4) at 1.5x design pressure and repair of defective tube by replacing new one if required.	In Section 6.1, Scope of Work, (Page 153), Hydro Test of HP Evaporator modules (Module 2,3,4) at 1.5x Design Pressure. As per ASME Boiler and Pressure Vessel Code Section 1, it should be 1.5x Working pressure. We request you to amend from Design pressure to working pressure.	Pressure for Hydro Testing of the HP Evaporation Modules is 1.5x Working pressure.
	5		Additional Supply & Works: Quantity of HP Evaporator finned tube is 15 Nos.	In Section 6.1, Scope of supply (Page 152), Additional Supply & Works, we request Quantity of Tubes 45 nos, instead of 15 nos.	Tender provision will prevail.
	6	Section-2: Tender Data Sheet- ITT 39.1	Deadline for submission of Tenders is: 04/08/2022; 12:00 Noon (Local Time).	We request tender closing date extension of 3 weeks. We propose tender Closing date 25 August, 2022 to submit proper bid.	The Tender Submission Date has been extended till 21-Aug-2022; 12:00 BST.
D				We are requesting you to extend the Tender Submission date for further 03 (Three) Weeks.	

	7	Section-2: Tender Data Sheet- ITT 14.1(b)	The minimum specific experience as a Contractor or Subcontractor or Management Contractor shall be at least One (1) contract of similar nature, complexity and methods/ construction technology successfully completed within the last Ten (10) years with a value of at least 10 Crore BDT or equivalent currencies. Similar nature, complexity and methods/ construction technology means replacement of HRSG evaporator module including supply of related materials and services on Turnkey basis in a combined cycle power plant/ process industry.	Request for amendments: Similar nature, complexity and methods/ construction technology means replacement of HRSG Evaporator/ Steam Generation Boiler Module (Above Tender Steam Generation Capacity) including supply of related materials and services as on Turnkey basis in a Combined Cycle Power Plant/ Process Industry. In the light of above you are highly requested to please amend the qualification criteria ITT 14.1(b) as mentioned, which will be allow more bidder to take a part in the tender and you will receive more qualified and competitive offer.	Tender provision will prevail.
